LCBS Dhaka launches training module

LCBS Dhaka launched its new training module under the ministry of finance in an inauguration held Tuesday on its campus. The newly-launched training module "Training of Trainers and Assessors on effective teaching and pedagogy" will conduct its procedure under the SEIP project of the ministry of finance. Abdur Rouf Talukder, additional secretary of the government and executive project director of SEIP was present as the chief guest at the programme. M A Kalam, chief executive officer of LCBS Dhaka, and government officials were also present as events speakers and participants. LCBS Dhaka is the leading accredited learning partner for global accountancy qualification, a prominent corporate training house, a leading public-sector skill development partner and the representative of CIPFA UK in Bangladesh. SEAF, a US-based investment adviser and a global fund manager for SMEs in emerging markets is a financing partner of LCBS Dhaka— Statement
