IT training creates successful entrepreneurs

Many unemployed youths have transformed themselves into successful entrepreneurs by means of doing a six-month residence course on web and graphic designs, reports BSS.

Thengamara Mohila Sabuj Sangha (TMSS), a non-government organisation, in cooperation with the Palli Karma-Sahayak Foundation (PKSF) is providing the eligible youths with the residence course under the Skills for Employment Investment Programme (SEIP).

As part of the programme, 25 youths were awarded certificates at a simple function on their successful completion of a six-month training on web and graphic designs at the TMSS office in the city on Sunday.

Deputy Executive Director of TMSS Md. Abdul Qader, Director of Information and Communication Technology (ICT) of TMSS Nigar Sultana, member of the Board of Directors of TMSS ICT Limited Md Khairul Islam, among others, addressed the function.

Nigar said, "We are imparting six-month training to unemployed youths on different ICT courses to promote entrepreneurship as well as ensure their easy access to better job markets."

"TMSS in cooperation with PKSF is implementing SEIP project in different parts of the country to create IT-efficient people in the country. After receiving the training, many youths have become self-reliant," she added.

Sadekur Rahman, who took six-month training on web and graphic design under the SEIP project, said, "Now I dream of becoming a successful entrepreneur after completing the training course. This is really a very effective course, which has increased my efficiency in the field of web and graphic designs."
