The employees of Posmi Sweaters Limited, Fame Sweaters Limited, Spectra Sweaters Limited and Sweater-makers Limited received certificates on Skills for Employment Investment Program (SEIP) following the successful completion of training on production planning and control. The month-long training programme, funded by the Ministry of Finance, Asian Development Bank (ADB), and BGMEA, was aimed to enhance the skills of the employees enabling them to ensure compliance of operation with international standards. Chairman of Posmi Sweaters Md. Monjurul Azam, Executive Director Nihal Aruna Shantha De Silva, and Chief Operating Officer Md. Ahsanul Haque were present at the certificate distribution ceremony held on the premises of Sweaters-makers Limited. Twenty-two employees including merchandisers, production managers, and industrial engineers took part in the programme. The training focused on five units of competency - capacity building, capacity utilisation, lead-time accuracy, planning and execution, and timely delivery.
